California Schools VEBA Honored as 2024 Outstanding Benefits Advisor by San Diego Business Journal

San Diego, CA, June 25, 2024 – The San Diego Business Journal recently honored California Schools VEBA (VEBA) as the 2024 Outstanding Benefits Advisor. VEBA’s General Manager, Laura Josh, accepted the award at the 'A Salute to Healthcare Heroes 2024 WINNERS' event. The event honors the achievements of the region’s dedicated healthcare leaders.

“VEBA is truly honored to be named the Outstanding Benefits Advisors of the Year. Representing those who serve the health insurance needs of public sector employers, employees, and their families, this recognition underscores the importance of VEBA's efforts to provide quality cost-effective healthcare benefits. I’d like to thank the San Diego Business Journal and the Salute to Healthcare Heroes leadership team for the honor. This achievement would not have been possible without the support of the VEBA board, our exceptional team, and partners,” said Josh.

Since its inception in 1993, VEBA has grown to become the fourth-largest healthcare purchaser in California, serving 73 employers and more than 151,000 public sector workers and their families.

VEBA remains dedicated to providing high-quality, affordable, and patient-focused healthcare benefits, working to protect its members from excessive healthcare costs.
